In May, 1666, when Newark was settled by Puritans who came from Connecticut, the site of Central High School was just a part of a vast wooded area.

Newark became one of the leading cities of the nation following the Civil War. A library

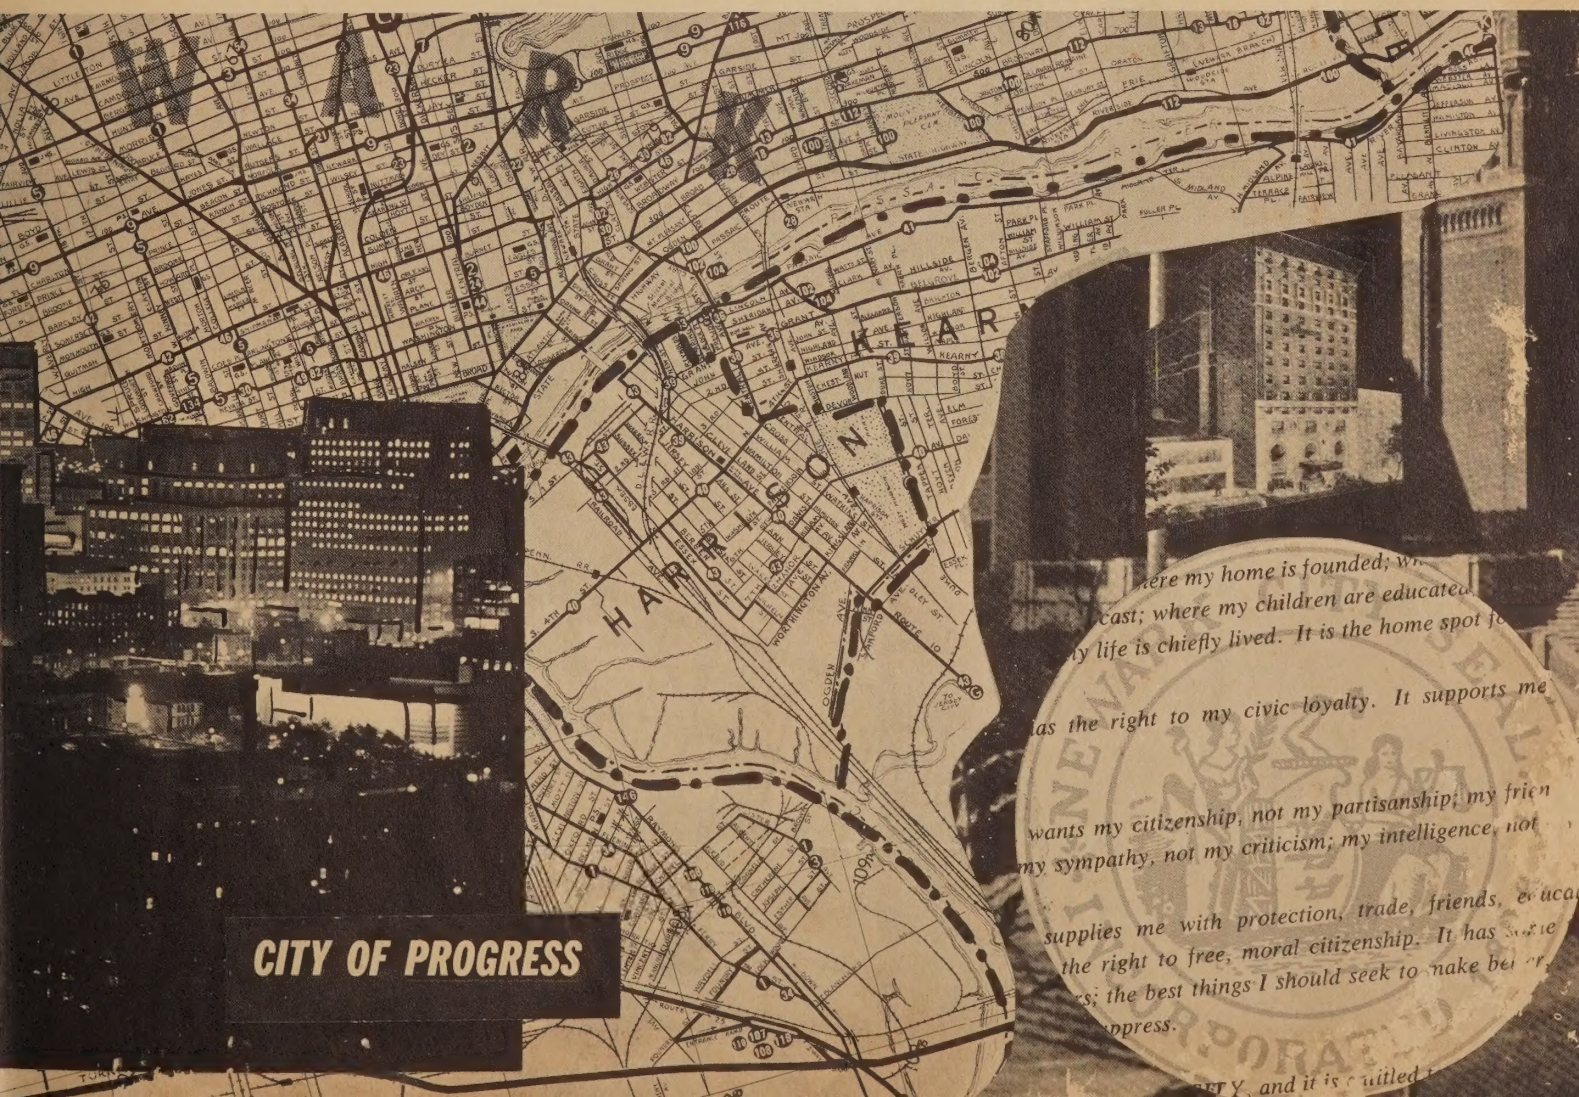

was established in 1888, a Fire Department in 1889, and the Newark Museum was established in 1909.

Three hundred years after the first settlers, Central High School is a reality. May we ever keep in mind the import-

ance of knowledge and let it be an important factor in advancing this city further. As the past three centuries of people had knowledge in order to progress, so we need knowledge to make Newark a great and noteworthy city in the future.

The History of the

Chapter I

"Think on this doctrine—that reasoning beings were created for one another's sake; . . ."—Marcus Aurelius Antonius

On a brisk September morning of 1962, score upon score of probable students entered the halls of Central High. They were now facing a new stage of development, that mature environment they had long awaited.

These youngsters were addressed by the President of the Student Council, who, in welcoming, advised them of the governing rules. These students were a fundamental force of our "Soul Class of 1966."

Chapter II

"A mystic bond of brotherhood make men one."—Thomas Carlyle

It was September of 1963 when we converged on Central from all sections of the city. Uniting with the nucleus of our "Soul Class of 1966", we made the sophomore class tenfold strong.

During the sophomore year, some students showed ability to produce, now that we were well acquainted as to what was expected of us. Others exhibited athletic ability, which proved advantageous to Central as we won the Essex County Coaches' Tournament, City Title, Sectional Region and State Championship in one year for basketball.

There were many outstanding events during this year. There was that week we all remember well, "Bum Week"; the dramatic skill of Mr. Young's Drama Club with their performance of "Dan McGee", and the incident that shocked and grieved the world, the assassination of President John Fitzgerald Kennedy.

The sophomore year ended as we began to realize our potential goals.

Class of June 1966

Chapter III

"... the task of recording for posterity, the events of their growth. Freedom . . . , Guidance . . . , Wisdom . . ."—Anonymous

It was September again and we were ready to start where we left off in June. As juniors, we began to realize we had responsibilities to ourselves and our school. We began to function more as a unit. Everyone was striving for the same thing—graduation.

During the year, our basketball team repeated its past performance; they took State Championship. There was a trip to the World's Fair, and our music department presented a program of "Sounds of Modern Culture" with the assistance of a quartet from the New Jersey Symphony Orchestra.

Chapter IV

"... the immortal names that were not born to die."—Fitz-Greene Halleck

For three years we have watched class after class leave; but this year, it is our turn. With the title of "Senior," we accepted a responsibility to the underclassman and, even more, to our school. We were to be inspirations of success and achievement. To help maintain this promise, we elected class officers to guide us along that prosperous way.

Although we were Seniors, we were still expected to attain and excel to the best of our abilities.

While we retained our educational status, we produced a program to pass the year. We did the "Philly Dog" at the Student Council Dance and then coronated our "King & Queen of the Senior Class."

To our sports program we added some new activities: fencing and our girls' basketball team. Both are shaping up very well.

The Senior Class, the nucleus of the "Soul Class of 1966," while ending our history, leaves the underclassmen the task of recording for posterity the events of their growth.

"Freedom through peace, guidance through knowledge, and wisdom through love."

Parting Thoughts

"On Leaving Central"

The thought of leaving so many friends
Here at Central High,
It sorta gets you near your heart—
You feel you wanna cry.

But when you think of the things you've done
Of all the fun you've had,
As thoughts reflect on Central High,
It helps you to feel glad.

And now and then you will recall,
As times go by and by,
The things you've learned and merits earned
At good old Central High.

By Lacy Graves

"Farewell, Dear Central"

Farewell, dear Central, loyal and true,
High above the city, tucked by skies so blue.
Into your doors we have come—and gone;
But you, dear Central, have never steered us wrong.
So farewell, dear Central, loyal and true,
And one thing more: "We'll miss you and these days so few."

By Gwendolyn Bowens

"We Stop to Reminisce"

Leaving Central is a happy time
That we all look to with pride;
By now we have our future in mind;
We'll take everything in our stride.

However, there are things we'll surely miss:
Our first day, when it all began.
As we stop to reminisce,
We think of all our dreams and plans.

We'll miss our teachers and friends
Who helped us in what seemed an endless fight.
A battle that we won, in the end
Only because our guides were right.

I think I speak for all when I say:
We'll be kind of glad to say good-bye.
But certainly there will be many a day
When we all will miss some part of Central High.

By Linda Kelleher

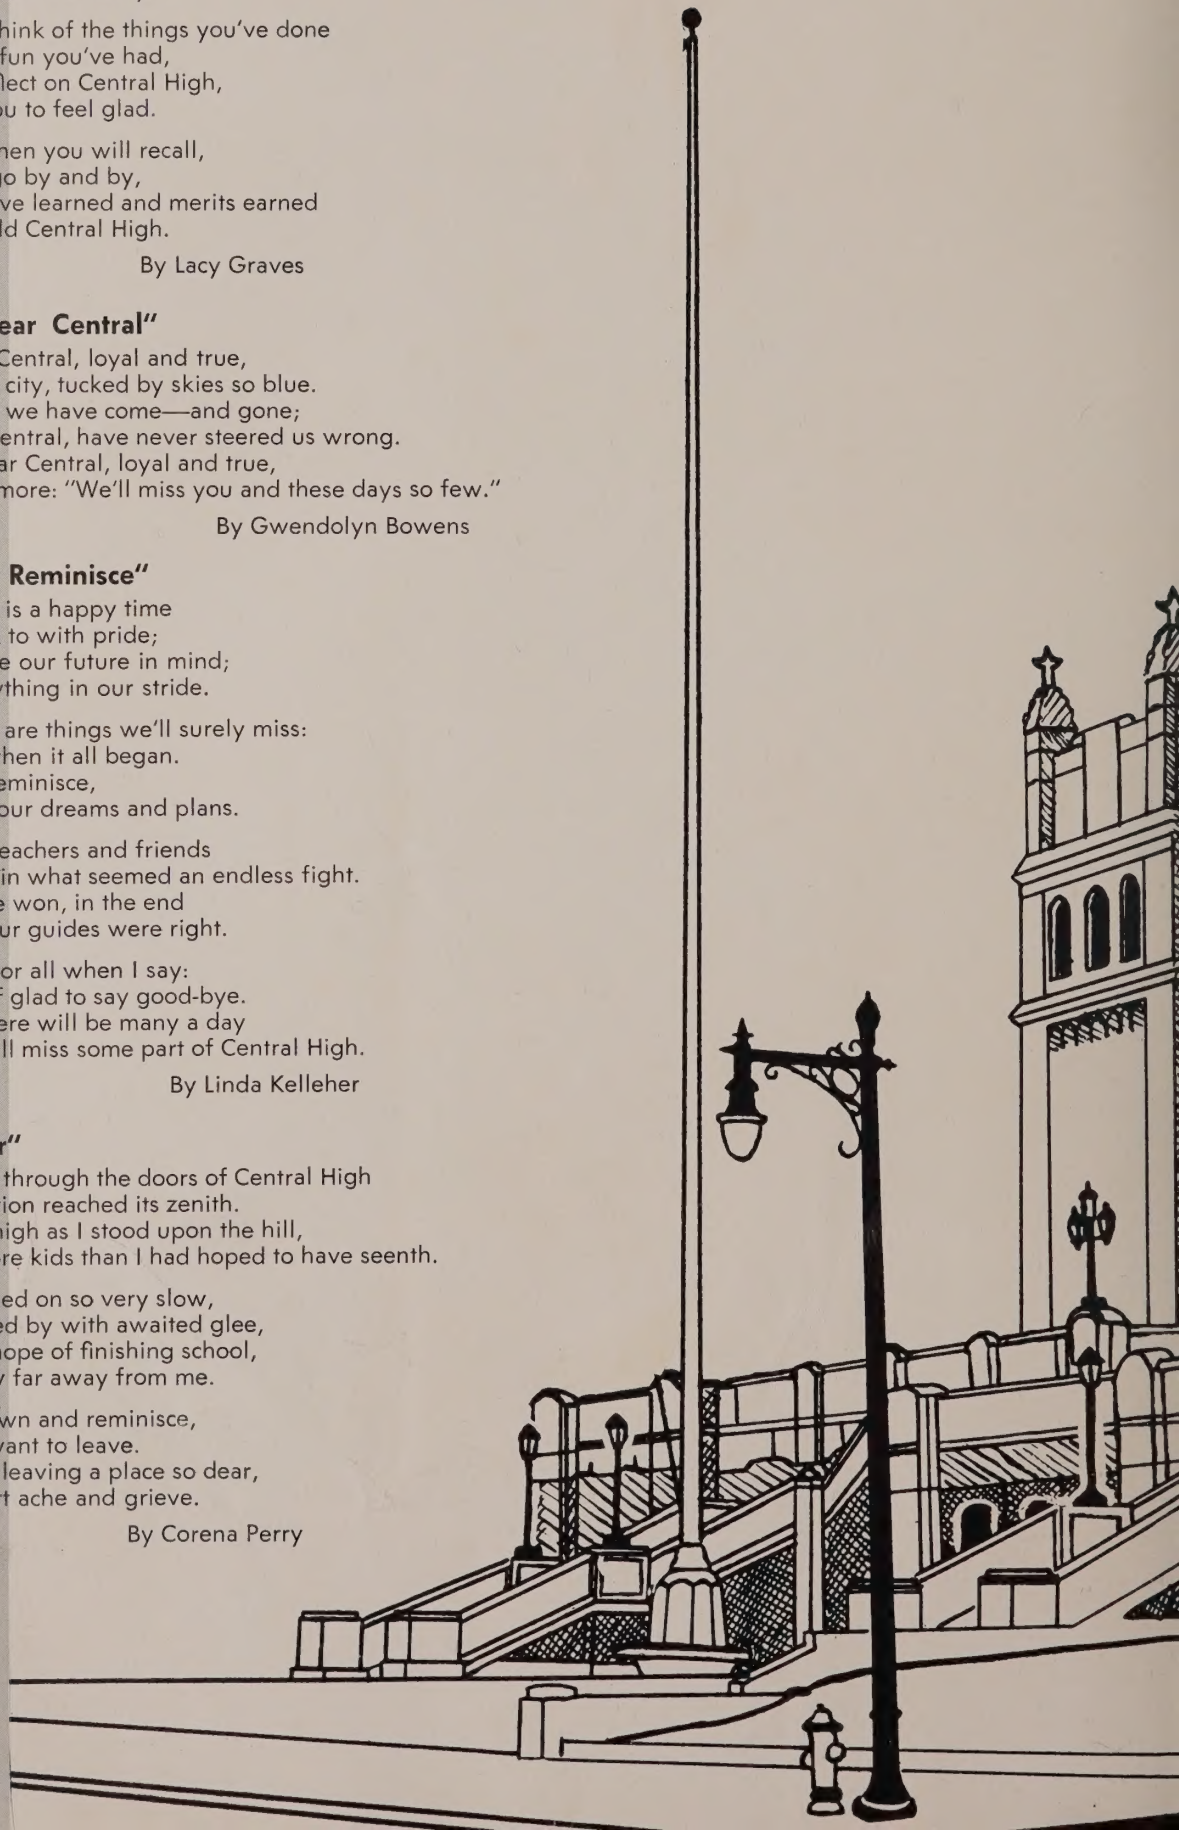

"I Remember"

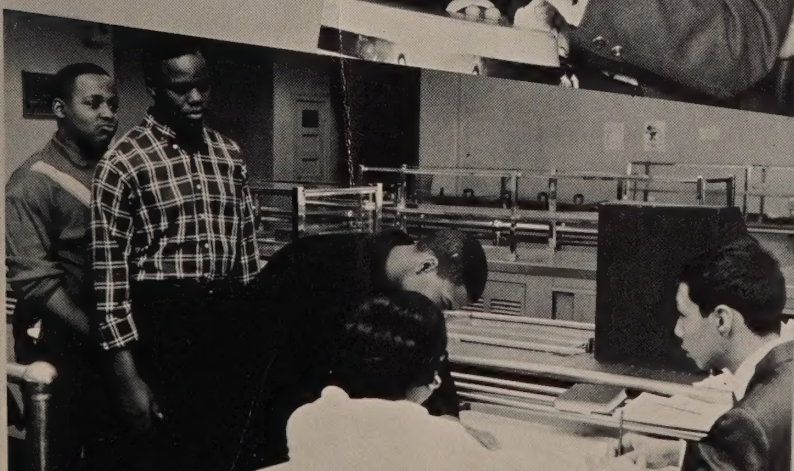

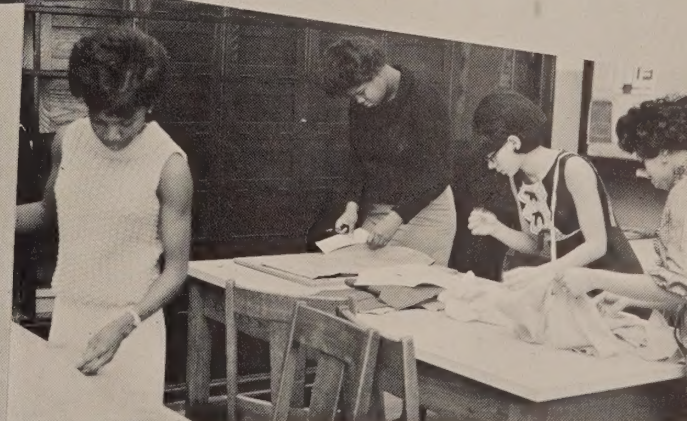

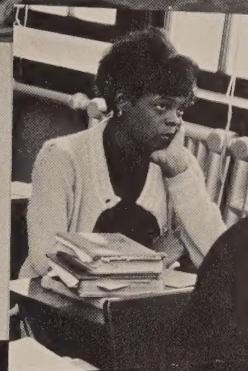

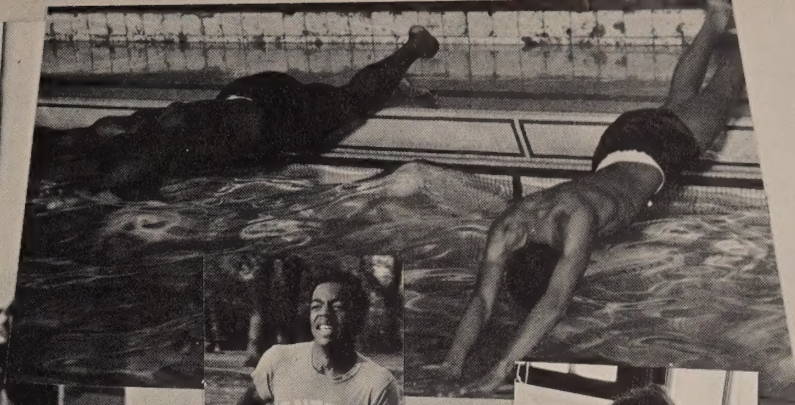

When I walked through the doors of Central High
My joy and elation reached its zenith.
My pride rose high as I stood upon the hill,
When I saw more kids than I had hoped to have seenth.

The days dragged on so very slow,
The years passed by with awaited glee,
My continued hope of finishing school,
Seemed so very far away from me.

As I now sit down and reminisce,
I'm not sure I want to leave.
The thought of leaving a place so dear,
Makes my heart ache and grieve.

Football

Mr. Robert D. Brown, Coach

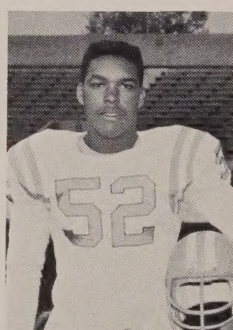

Although our record was not impressive, our team won the respect of opposing players and coaches. The boys played up to their potential, offering stiff opposition to every team we played. Everyone was proud of the team's valiant efforts on Thanksgiving Day when we played East Side. Central was leading East Side 7-6, when the opposing team's halfback returned a kick 52 yards behind excellent backing, to give East Side a 13-7 victory. It is a tribute to our coaches that all our boys were capable of playing 60 minutes of rugged football each Saturday.

Soccer

The 1965-1966 Blue Devil Soccer Team was Central's best for many a year.

The team started its winning streak by defeating South Side High School with a 4-1 score. The team ended the season with a total of three wins, three losses and one tie. The entire team deserves our congratulations.

Cross Country

Mr. James Martin, **Coach**

Back row, left to right: Charles Bannister, Wylie Hawkins, Charles Jones. **Front row:** Willie Frazier, Kenneth Dowdell, Arbra Pasley, Bruce Bowman.

This year, Central's cross country team put out some hard work, striving for a city title. Although unsuccessful, the team took a second place in the city meet, placing one of our runners on top.

Willie Frazier, whom some call "The Machine", was placed on top in almost all meets. Willie is an experienced runner who knows how a race should be run. The team also had other good runners: Wylie Hawkins, Charles Bannister, Arbra Pasley, James Roberts, and Charles Jones. Our coach, Jim Martin, had a successful year.

Back row, left to right: Mr. James Martin, Coach; Kenneth Dowdell, Bruce Bowman, Charles Jones, John Cagle, Theodore Lasure, James Calloway. **Second row:** Arbra Pasley, Charles Bannister, William Frazier, Wylie Hawkins, James Roberts. **Front row:** Bernard Cathy, Mack Frasier, Harold Saunders, Winton Hill, Nathaniel Johnson, Michael Hardy.

Top, left to right: Harry Blanding, Robert Key, Robert Perry, Bernard Buggs, Willie Moss, Herman Wilson, Rickey Key, Gregory Mitchell, Emory Griffin, Jesse Reddick, Larry Hill, Mr. Matthew J. Lombardi, Coach. **Managers:** Paul McDougal, Michael Howard. **(Absent:** John Young, James Henderson, Michael Dickerson.) **Captains:** John Watts, Raymond Findley.

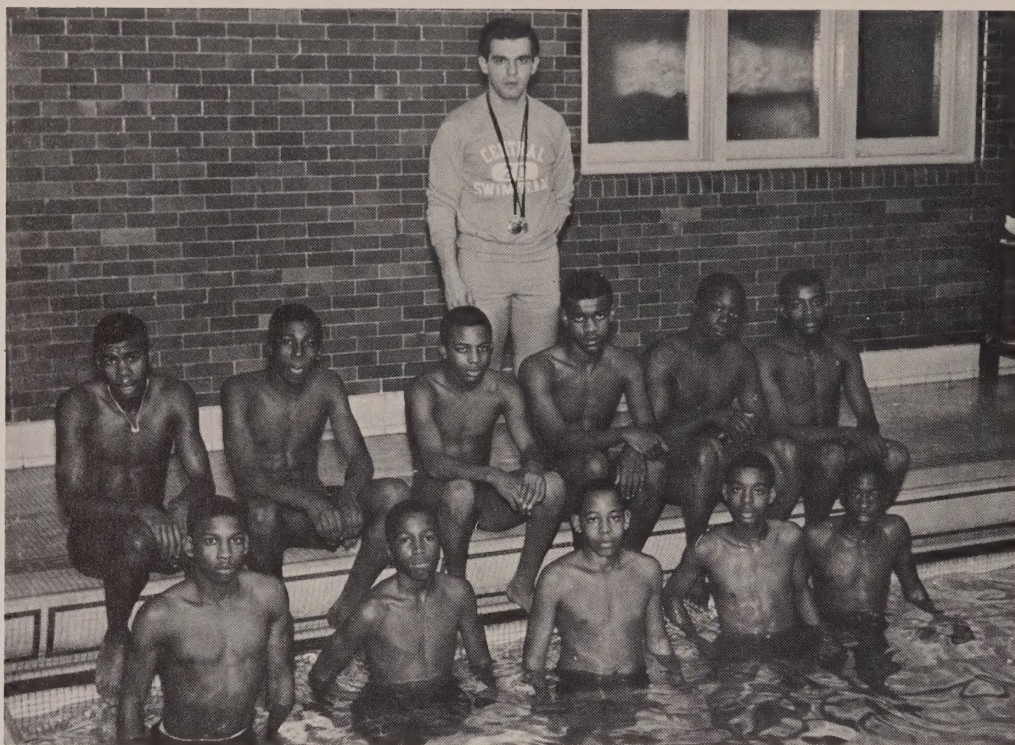

Basketball

The Central High Basketball team, 1965-66, coached by Mr. Matthew J. Lombardi, had a very good season. Although they were not champions, their record certainly speaks for itself. They were faithful and played their best.

The seniors on the team were: Raymond Findley, 6'6", John Watts, 6'5", Robert Key, 6'0", and Jesse Reddick, 6'1". We will certainly miss their help next year. Working together only shows that unity makes a great team.

They finished the season with a record of 15 victories and 7 losses. We would like to congratulate the team for a fine season and the good sportsmanship they displayed.

Swimming

Mr. Louis Altieri, **Coach**

This year's swimming team consisted of fourteen boys. Weekly practice sessions were held at the Morris Avenue Pool on Tuesdays and Fridays.

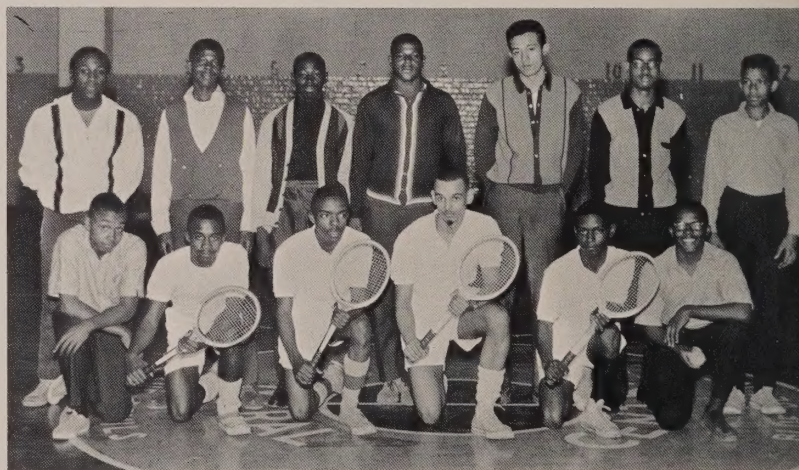

The team had fourteen swimming meets, which were held at the Morris Avenue and Wilson Avenue Pools.

The boys all did excellent team work, each swimmer contributing his best effort. Phillip Black and Bill Simmons were captain and co-captain.

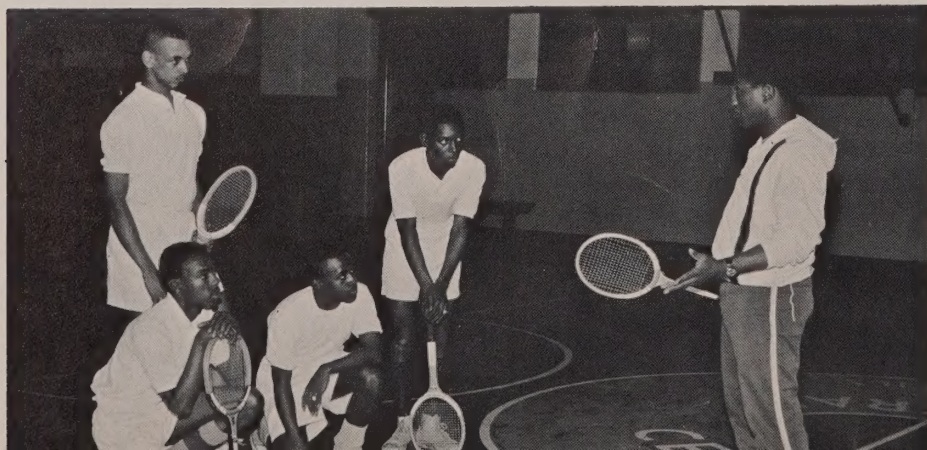

Tennis

Mr. Peter Curry, **Coach**

Top, left to right: Mr. Peter Curry Coach; Jarvis Harvey, David Battle, Glenn Jenkins, Maurice Brown, Harry Fontaine, Harvey Johnson, Clarence Martin, Ronald Edmonds, Alvin Harmon, Michael Howard, Co-Captain; Robert Benjamin, Lamont Blount. (Absent: Alvin Lockett, Captain).

Once again, the traditional call of "Tennis anyone?" makes its way through the doors at Central High. This sport is not completely new at Central, for it made its debut here last year. The team captain, Alvin Lockett, along with Ronald Edmonds and Alvin Harmon, are experienced players from the previous year.

Coaching a new group of boys, who have little or no knowledge of the game, is a tough job. However, the team is making a good showing under the fine coaching of Mr. Curry.

Central has a dynamic track as well as an excellent field team. Central started the season off with a victory over West Side of 66-52 and with a loss to Morristown and Kearny. The team came back to defeat East Side 102 1/2-14 1/2 and Belleville 68-59. They also were victorious over Arts High and East Orange 105-120 and 63 1/3-61 2/3.

Lawrence Billings holds the city javelin record with 191 feet. Robert Parker and Douglas Dickerson are top discus men with Burrell Jenkins tops in the high jump. We have Jesse Reddick in the 100 and 220 yard dash, Rodney Mayes and Ellery Bowser in high and low hurdles, Arthur Anderson in the 440 yard dash, and city champ, William Frazier, in the mile run; James Roberts and Charlie Jones in the 880 yard dash.

This is one of the greatest track teams that Central has ever had.

Baseball

Mr. Joseph J. Williams, **Coach**

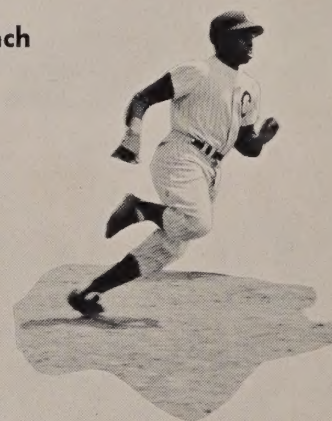

Andy Herron

Central's Blue Devil Baseball Team got off to a good start this year. Under the fine coaching of Coach Joe Williams, Central had the honor of being the only city team to beat St. Benedict's in a number of years. Henry Drakeford and Arbra Pasley—shortstops and pitchers, Drakeford, the winning pitcher, also pitched an almost perfect title game against Barringer (8-0). Arbra Pasley did some fine pitching, including an Irvington High winner and defeating Barringer (8-2).

The team has its eye on taking the city title this year. The team, (composed mostly of seniors and sophomores,) has the following lineup: Ken Dowdell at second, Henry Drakeford and Arbra Pasley—shortstops and pitchers, Paul McDougal—catcher, Steve Johnson—first baseman (our only lefty), Andy Herron—(doing a magnificent job) left field, Tony Martin—center field, Jerome McCoy—ace right fielder, James Rice—right fielder and relief pitcher, Melvin Williams—catcher, Narciso Figueroa—second baseman, and John Hawkins, all-city third baseman.

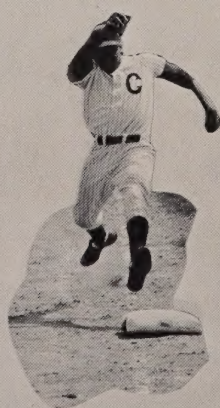

Although baseball is not the most popular sport at Central, Central's team will be coming up even more next year, judging from the team's work this season under the expert coaching of Coach Joe Williams.

Fencing

Top, left to right: Melvin Dill, Vinston King, Francis Banks, Wilfredo Burgos, Larry Cooper, Frank Matthews, Roland Tuddles, Mr. Joseph J. Williams, Joseph Franklin, Kenneth Dowdell, Artis Felton (Co-captain), Alvin Lockett (Co-captain), Isaac White.

Fencing was new at Central this year. Common to all new sports is the fact that they usually get off to a slow start, practice sessions are hindered because of lack of equipment, and the winter season has many holidays during which no practice can take place. As a result, the team usually doesn't do well in city competition against experienced teams.

Despite these drawbacks, our team did exceptionally well. The team went the whole season, losing only once to

Kenneth Dowdell, Artis Felton, Mr. Joseph J. Williams, Coach; Alvin Lockett, Isaac White.

Barringer. Central entered the City meet and came away with an astounding third place.

This year's marvelous team, sparked by Senior Co-captains Alvin Lockett and Artis Felton, together with team members Kenneth Dowdell, Joe Franklin, and Isaac White, are to be highly commended for their team performance—due only to the fine coaching of Mr. Joseph J. Williams.

CITY OF PROGRESS

where my home is founded; where my life is chiefly lived. It is the home spot for my life. It has the right to my civic loyalty. It supports me in my life. It wants my citizenship, not my partisanship; my friendliness, not my sympathy; my intelligence, not my ignorance. It supplies me with protection, trade, friends, education, the right to free, moral citizenship. It has some of the best things I should seek to make better. I press.
